### THE MARGRAVIATE OF MORAVIA – A STATE ENTITY IN THE TERRITORY OF MORAVIA IN THE YEARS 1182-1918: HERALDRY AND VEXILLOLOGY IN THE SERVICE OF CIVIC EDUCATION

#### Doc Antonín Staněk (Czech Republic)

Summary (in English)

Heraldry and vexillology as auxiliary historical sciences can bring significant inspiration and stimuli to civic education in secondary education (according to the international classification ISCED – International Standard Classification of Education) ISCED 2 and ISCED 3. Using the example of a state entity – the Margraviate of Moravia – in the territory of Moravia in the years 1182–1918, its rulers, coats of arms and flags, we present the connection of the abovementioned auxiliary historical sciences, historical local history and subject-specific didactics of social sciences in constructing research-based teaching of civic and social science fundamentals.
